the citizens of Carson at 25 cts

Per Week

Entered at the Postoffice in Carson City a  
second class matter.

## A YOUNG GIRL'S FORTUNE.

### AN INTERESTING SKETCH.

Nothing appeals so strongly to a mother's affection as her daughter just budding into womanhood. Following is an instance: "Our daughter, Blanche, now 15 years of age, had been terribly afflicted with nervousness, and had lost the entire use of her right arm. She was in such a condition that we had to keep her from school and abandon her music lessons. In fact, we feared St. Vitus dance, and are positive but for an invaluable remedy she would have had that terrible affliction. We had employed physicians, but she received no benefit from them. The first of last August she weighed but 75 pounds, and although she has taken only three bottles of Nervine she now weighs 110 pounds; her nervousness and symptoms of St. Vitus dance are entirely gone, she attends school regularly, and studies with comfort and ease. She has recovered complete use of her arm, her appetite is splendid, and no money could procure for our daughter the health Dr. Miles' Nervine has brought her. When my brother recommended the remedy I had no faith in patent medicines, and would not listen to him, but as a last resort he sent us a bottle, we began giving it to Blanche, and the effect was almost immediate. Mrs. R. B. Bullock, Brighton, N. Y. 'Dr. Miles' Restorative Nervine is sold by all druggists on a positive guarantee, or sent direct by the Dr. Miles Medical Co., P. O. Box 112, Ind., on receipt of price, \$1 per bottle, six bottles for \$5, express prepaid. It is positively free from opiates or dangerous drugs."

The silver wing of the Republic  
can State Convention, unanimously  
adopted the following platform:

The convention endorses and  
adopts the platform of the Republi-  
can State Convention, held at Va-  
city on the 30 of April last, as fol-  
lows:

Resolved, That we condemn the  
Republican party of the Eastern  
states and the administration of  
President Harrison, insofar as they  
have failed to accomplish the com-  
plete remonetization of silver, and  
to enact laws providing for the  
free and unrestricted coinage of  
that metal.

Resolved, That the restoration  
of silver to the place it occupied  
previous to the passage of the  
Mint Act of 1873, is essential to  
the prosperity of the country and  
paramount to all other political  
considerations. The legislation  
which robbed silver of its money  
functions and denied to the owner  
of silver bullion the right to have  
the same coined into money upon  
the same terms and conditions  
which apply to the coinage of gold,  
reduced the money of ultimate re-  
demption or payment, about one-  
half, and enabled the owners of  
money and obligations payable in  
money to monopolize this coin of  
the commercial world.

Resolved, That the people of  
Nevada are in favor of the coin-  
age of silver upon the same con-  
ditions which apply to the coinage  
of gold, and they are opposed to  
elevating any person to office who  
is not known to be unequivocally  
in favor of opening the Mints of  
the United States to the free and  
unlimited coinage of silver.

In view of the unsatisfactory at-  
titude of President Harrison to the  
paramount issue of the remonet-  
ization of silver, this convention  
will make no nominations for Pres-  
idential electors and the State Cen-  
tral Committee to be appointed by  
this Convention shall have no au-  
thority to put in nomination elec-  
tors.

The Convention cordially en-  
dorses the vigorous efforts of our  
Senators and Representatives to  
secure the free and unlimited coin-  
age of silver, and the educational  
work that they have done in pre-  
sents the true issue between the  
money powers and the bondhold-  
ers and laborers and producers of  
wealth.

And we favor the continuation  
of agitation and contention for the  
free and unlimited coinage of sil-  
ver at the present ratio of 16 to 1,  
for their own benefit and for the  
benefit of the people at large—  
miners, farmers, laborers and me-  
chanics.

The citizens of Nevada, repre-  
sentatives of the various silver  
leagues, irrespective of past party  
affiliations, in convention assem-  
bled, do set forth the following de-  
claration of principles:

First. We demand the full re-  
monetization of silver and the free  
and unlimited coinage thereof, at  
the present ratio of 16 to 1.

Second. We are not only natu-  
rally opposed to the National  
Republican and Democratic par-  
ties on the question of the free  
coinage of silver and we denounce  
the action of their recent national  
conventions as inimical to the ma-  
terial interests of the people of the  
United States, and especially to  
those of Nevada and all the other  
mining states and territories, and  
we therefore repudiate the nomi-  
nees of their convention.

Third. We pledge the nominees  
of this convention for Presidential  
electors to support no man for  
President or Vice-President of the  
United States who is not unquali-  
fiedly in favor of free coinage as  
defined by this convention. We  
reserve to the silver leagues of  
Nevada, in Convention assembled,  
the right of directing said Presi-  
dential electors for whom to cast  
their votes, should contingencies  
require. GEO. B. NIXON,  
Chairman State Committee of Sil-  
ver party.

H. P. FLANNERY, Secretary.
